

DROUGHT CONDITIONS

We saw slight improvements in drought and reservoir conditions last week. Unless we have an unusually wet summer, we can expect a continuation of lower than normal reservoir levels in West and South Texas.

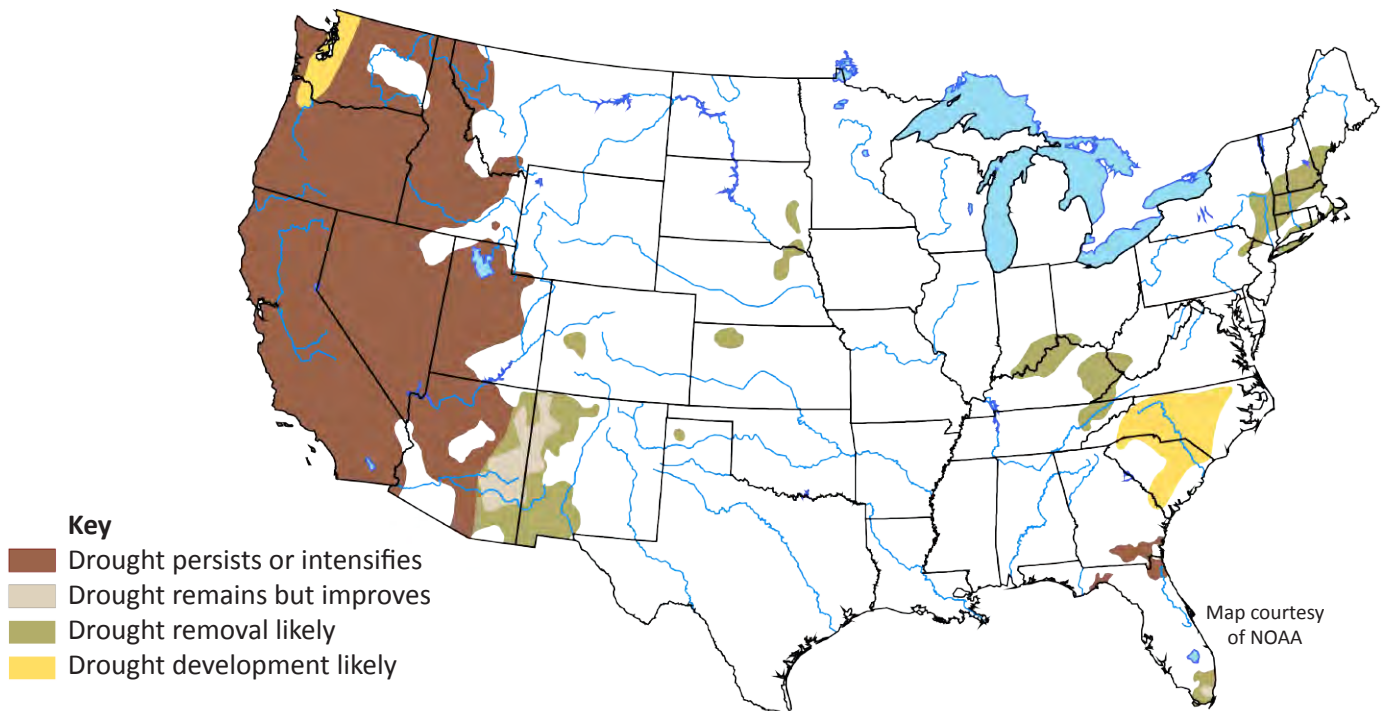

Drought statistics

- 0.2% of state currently in moderate to exceptional drought
- 0.3% a week ago
- 36% three months ago
- 69% a year ago

U.S. SEASONAL DROUGHT OUTLOOK

The latest U.S. Seasonal Drought Outlook map projects no drought through the end of September.
